Welcome to All,

Thank you for choosing to dine with Don Hall's today. The Tavern opened in April, 1997, this being the 14th location in the Hall's family chain dating back to 1946. As your Host, I joined Hall's in 1983 at the Guesthouse Hotel and Restaurant on Washington Center Road. I spent some time over the next three years between the Guesthouse and the Orchard House in Glenbrook Square. In 1985, I became the general manager of Hall's Orchard House in Glenbrook Square. I spent the next 10 years managing that restaurant.

In April 1997, Hall's opened the Tavern at Coventry and I've been here ever since.

In that time, I've found each day to be different from the last. With new ideas all the time, my goal, in union with the Tavern staff, is to incorporate these ideas with over 60 years of Hall's history and deliver an overall better restaurant experience today than the day before.

Here to serve you always,

Jeff Lill

General Manager
